DGR = Dupont – Georgetown – Rosslyn

The matrix reflects Metrobus service as of Spring 2014
Poplar Point Activity Center is excluded from this matrix, as there is currently no transit service there, other than peak-only service that passes it but does not stop.
Circulator Connections: Only shown for connections with no transfer required.
Metro Connections: Only shown for connections with no transfer required.
Buses: only all-day bus routes with no transfer included.
🚶 : Walkable for some parts of the Activity Centers (up to approximately ½ mile)

↔: Connection shown on other axis.
X: No direct Circulator connection, direct Metrorail connection, all-day bus service available.
